Dear Rod:

On behalf of General Tool Company and the students receiving scholarship assistance, we wish to thank you for your participation in and generous contribution to the 2009 UC College of Engineering Alumni Association Scholarship Fund Benefit Golf Outing.

Whether you played in a foursome, sponsored a hole, or donated door prizes, your support was an important contribution to the success of this event.

As you know, the outing funds the Engineering Alumni Scholarship Award Program, and due to your generosity, we raised over \$8,000 again this year! This is a major achievement given the current economical condition.

Thanks again for generously supporting the UC College of Engineering Scholarship Fund, and we hope to see you next year!

Sincerely yours,

William J. Kramer, Jr.
